6. Criteria for Designation: Indicate which of the following criteria for designation apply to the road corridor. (Check all that apply).

Scenic: Road features natural and built features that are visually beautiful or interesting. Scenic elements can include fields, buildings, structures, water, vegetation, skylines, and the sky itself, which are visible from the road and provide pleasure or inspire awe.

Natural: Landscapes and ecological systems exist in the road corridor such as shorelines, wetlands, prairie, and natural habitats for birds and animals.

Historic: It is the site of a significant local, county, state, or national event. Buildings or property may be historically significant. There may exist physical evidence of past human settlement, including buildings, bridges, fence-rows, burial sites, and less tangible features such as land in agricultural use, historic transportation systems, or development patterns.

Cultural: The road has distinctive expressions of local community life. Such expressions can include traditionally recognized cultural qualities such as public art, museums, libraries, and annual festivals. Others may be less obvious, such as particular industry, resource, or event responsible for the growth and identity of the community.

Archeological: The road features physical remnants of past human society, their unique customs, traditions, folklore, or rituals, including artifacts, buildings, ruins, landscapes and abandoned trails.

Architectural: Structure(s) within the road corridor embody distinguishing characteristics of an architectural style valuable for the study of a period, type, method of construction, or use of indigenous materials. Property within the road corridor may be identified with the work of a master builder, designer, architect, or landscape architect whose work has influenced the development of the area, county, state, or nation. Structure(s) within the road corridor are particularly fine or unique structures with a high level of integrity or architectural significance.

Instructions for Preparing a Nomination

1. **Name of Corridor:** Enter the name of the nominated road corridor.
2. **Township(s) in which road corridor is located:** Enter the name(s) of the township(s) in which the nominated road corridor is located.
3. **Length of road corridor included in this nomination:** Road corridors do not have to include the entire length of the road. A particular section of a road may be nominated under the Scenic Streets and Roads Program. In the space provided, enter the length of the road corridor for which the nomination is being prepared.
4. **Description of road corridor boundaries:** Boundaries may be described in terms of legally recorded lot or parcel lines or manmade and natural topographic features such as road intersections, fencelines, rivers, streams, ditches, etc. Select boundaries that encompass the significant concentration of scenic and natural features, buildings, structures, objects, and sites that make up the road corridor. For example: “_____ Road, from its intersection with _____ Road to _____ Creek.”
5. **Attachment Checklist:** Indicate the attachments that will accompany the nomination form.
6. **Criteria for designation:** Nominations must be eligible under at least one of the criteria for designation listed on the nomination form. Indicate which criteria apply to the road corridor.
7. **Nominator’s Information:** Enter the nominator’s name, home address, phone and fax number(s), email address, and signature (dated).

PREPARE THE ATTACHMENTS (See attached forms):

1. Attachment #1: Written Statement

Prepare a written statement explaining why the road corridor is suitable for preservation and how it is eligible for designation under the criteria indicated on the nomination form. Describe the road corridor’s intrinsic qualities as they relate to the listed criteria, especially those which make it unique and different from other roads in McHenry County.

Indicate on the statement who uses the road (autos, trucks, bicyclers, joggers, etc.), how the road corridor has changed over time, and how it has been affected by influences from outside the community. Finally, describe the vision for the road corridor in the future and what will be achieved by designating it a Scenic Street or Road. At the end of the

statement, list sources of information, including bibliographic references, if any were used.

2. Attachment #2: Maps

Attach cover sheet and maps showing:

- A. the location of the road corridor in McHenry County; and
- B. the boundaries of the road corridor; and
- C. any other maps you feel may help the Scenic Streets and Roads Committee

3. Attachment #3: Photographs

Attach cover sheet and color prints showing the significant features of the road corridor.
